

Advicenne announces the launch of its new website

Paris, 30 May 2022 – 8.30 pm CET – Advicenne (Euronext Growth Paris ALDVI - FR0013296746), a pharmaceutical company specializing in the development and commercialization of innovative treatments for those suffering from rare renal diseases, today announced the launch of its new website, www.advicenne.com.

The new website aims to offer better ergonomics and to provide more accurate and complete information, particularly on:

- Information intended for all its shareholders.
- The Company's approved and/or marketed products or those sold under license (Sibnaya[®], ADV6209, Likoza[®], Levidcen[®]).
- Rare renal pathologies targeted by Advicenne, in particular dRTA and Cystinuria.
- The development pipeline.

Didier Laurens, Chief Executive Officer of Advicenne, said: *"Of course, our business is to offer innovative treatments to patients affected by kidney diseases for which there is no effective therapeutic solution. But this new website also marks an important step for the Company, which has been moving into a new phase for several months now: the marketing of Sibnaya[®] in Europe and beyond, either on its own or through commercial partnerships with pharmaceutical companies. I am sure that our new website will better reflect our transformation".*
