

Advicenne and SPA announce an exclusive distribution agreement for the marketing of Sibnaya[®] in Italy, Spain and Portugal

- Sibnaya[®] will now be available in four of the five major European markets
- Significant expansion of commercial opportunities for Sibnaya[®] (potassium citrate/potassium bicarbonate)

Paris (France), Milan (Italy), 14 February 2023 – 7:00am (CET) – Advicenne (Euronext Growth Paris ALDVI - FR0013296746), a specialty pharmaceutical company dedicated to the development and commercialization of innovative treatments for those suffering from rare renal diseases, announces today it has entered (signed) an exclusive distribution partnership with SPA Società Prodotti Antibiotici (“SPA”), for the marketing of Sibnaya[®] (a fixed dose combination of potassium citrate and potassium bicarbonate) in Italy, Spain and Portugal.

Under the terms of the agreement, SPA is granted exclusive marketing rights to Sibnaya[®] in its current approved indication and potential new indications, in territories covering the South of Europe. SPA will be responsible for conducting pricing and reimbursement negotiations with local legal bodies, as well as marketing and commercial activities. Advicenne remains the Marketing Authorization Holder (MAH) of Sibnaya[®]. In return, Advicenne will receive the proceeds from the sale of Sibnaya[®] in the form of a transfer price and royalties for a combined amount significantly greater than 50% of future sales.

In addition to its already signed contracts, Advicenne deals with a strong local partner and continues to expand access to Sibnaya[®] as broadly as possible. Advicenne now covers commercially the following countries, either directly, or through partnerships: France, Great Britain, Italy, Spain, Portugal, Benelux, CEE, Nordics, Baltics, and the MENA region, which will significantly improve patient access and sales in the course of 2023.

Stefano Lombardi, Chief Executive Officer of SPA stated: *“We are proud to partner with Advicenne and bring patients the Sibnaya[®] innovative approach to their rare condition treatment and improve their lives. The development of Sibnaya[®] in Italy, Spain, and Portugal, will be one of the gems of SPA Rare Diseases BU growth strategy projects.”*

Didier Laurens, Chief Executive Officer of Advicenne, commented: *“We are delighted with the signing of this agreement with SPA. Advicenne will benefit from the strong local presence of its new partner, its expertise, and the historic knowledge of Sibnaya[®]. This is a landmark agreement that will enable the development of Sibnaya[®] in Europe for the benefit of patients, families, and caregivers.”*

About SPA

SPA Società Prodotti Antibiotici is a private specialty pharmaceutical company founded in 1947. The historical relevance of the brand is being one of the first to have manufactured and distributed Penicillin and other anti-infectives in Italy after WW II, with the direct partnership of Sir A. Fleming. Owned by the third generation of the Founder, the Ferrari-Matta family, SPA products' therapeutic areas today are Osteoarticular, Cardiometabolic, Urology, Nephrology and Gastroenterology. SPA's growth strategy is based on the three strategic Business Units: SPA Farma (Ethical Drugs, OTC, Medical Devices), SPA Rare Diseases, BioSPA (In Vitro Diagnostics). Headquartered in Milan, with affiliated companies *SPA Farma Ibérica S.L.* in Barcelona, Spain and *Prospa Laboratoriòs Farmaceuticos S.A.* in Lisbon, Portugal. **For additional information see:** <https://spafarma.com/>.

About Advicenne

Advicenne (Euronext: ALDVI) is a specialty pharmaceutical company founded in 2007, specializing in the development of innovative treatments in Nephrology. Its lead product Sibnaya[®] (ADV7103) has received its Marketing Approval for distal renal tubular acidosis in EU and the UK.
